- Businesses requested to leave out waste due for collection by private operators by 3am on the 17th March
- Additional DCC waste crews have been rostered from 6am on the 17th until 9am on 18th to ensure that all litter is picked up during and post parade within the City Centre areas
- Waste Management coordinator will be in place in event control in India Base on the 17th March to coordinate the cleansing operation on the 17th March
- All efforts will be made to ensure the City Centre area is cleaned and presentable on the morning of the 18th March at the time of opening of businesses

Street Furniture/Safe circulation and capacity

- Require all outdoor street furniture including associated infrastructure and other paraphernalia such as sandwich boards barrels, etc. are removed by close of business on the 16th March 2024 at latest and not put out again until opening of business on the 18th March 2024.
- This is to facilitate safe capacity and circulation within the City on the 17th March

This is a map of the relevant areas required and has been previously advised and circulated to the businesses concerned

Temple Bar/Environs Safety Plan AGS/DCC

- Temple Bar and Environs Plan will be put in place again this year. Plan is same form and arrangements as last year
- Purpose of plan is to prevent general and localised overcrowding and antisocial issues such as on street drinking and public intoxication
- 45 controlled access points, Garda and specialised steward at each access location point
- Bins and crowd control barriers provided from 10am
- Alcohol will be seized at the access points insofar as is practical
- Additional CCTV has been put in place to monitor on street patron numbers in the relevant areas of Temple Bar and environs. Closure of various zones/locations will be put in place as required should overcrowding occur either localised or general with exit only permitted at those times.
- Closures will only remain in place for as long as required from a safety perspective

Important General Safety Management requirements

- All businesses who have a liquor licence to ensure that no alcohol sold on their premises is permitted to leave their premises for consumption on the street
- No overcrowding to be permitted within any business premises on the day that would compromise staff, patron or fire safety
- Food premises, including takeaways to keep the areas within and immediately outside their premises clean and tidy and to avoid giving out additional bags or packaging with food served if possible. Business advertising flyers on the day should also be avoided
- DCC wishes all businesses within the City a safe and profitable weekend for them and all their staff and wish to thank you all for your continued engagement and cooperation associated with this event.
