

Tourism Careers - Work Experience Portal

As we prepare for a new academic year and the relaunch of our [Work Experience Portal](#), we are delighted to have seen huge interest with positive feedback from students, teachers and businesses who have been able to reach talent and offer employment in their communities by using our portal.

While we have over 160 businesses participating, we [continue to promote placements](#) from across the country to help build a working knowledge and affinity with tourism among the next generation. If you haven't already done so, and you wish to offer some placements please post [here](#). Remember to fill out every section to ensure your placement will be live as soon as possible.

As part of the placement programme we've developed a range of resources to help businesses and students get the best out of their experience including both Student and Manager manual, a [quick demo on how to post placements](#), and a link to the skills training videos on YouTube.

[Post your TY / Work Experience placements in 3 minutes here](#)

If you have any issues with the placement portal or any queries about the resources or programme, please email tourismcareers@careersportal.ie
