Throughout 2013, Ireland is opening her arms to hundreds of thousands of friends and family from all over the world, calling them home to gatherings in villages, towns and cities.

Communities throughout Ireland are showcasing and sharing the very best of Irish culture, tradition, business, sport, fighting spirit and the uniquely Irish sense of fun.

Over 70 million people worldwide claim Irish ancestry. The Gathering Ireland 2013 provides the perfect excuse to reach out to those who have moved away, their relatives, friends and descendants, and invite them home.

The Gathering is the people's party. It kicked off in spectacular style at the New Year's Eve Festival in Dublin and is being celebrated through gatherings of the people and Ireland's major festivals during 2013. So now it is over to you. It is in your hands...

To commemorate your participation in The Galway Gatherings 2013, we have included a Certificate of Presence that you can find overleaf. This certificate acknowledges that you were present in the County of Galway during the year 2013 and played your part in The Gathering. The document is officially recognised by both the County and City Mayors of Galway, as of the year beginning January 2013.

To ensure your certificate is complete, please fill in your name, followed by the date, and lastly the signature of a witness. Your witness should be a resident of City or County Galway, who will verify that you were present on the day specified.

The witness can be anyone... postman, busker, barman, politician... even a complete stranger you meet on the street! The important point is that you become a part of this great celebration and have a memento of your participation.
