Is your company operating in Tourism, Entertainment, Hospitality or Catering industries?
Looking for staff with language skills to join your Team for the **summer 2024**?

If you want to extend your search for talent to skilled, qualified and eager **jobseekers from all over Europe**, JOIN US at the 7th edition of an exclusively online European job day organized by **EURES, the European jobs network**, where we aim to gather employers from 13 European countries (Austria, Belgium, Croatia, Cyprus, France, Greece, Ireland, Italy, Malta, Portugal, Slovenia, Spain and The Netherlands) and jobseekers from all over Europe.

Summer jobs and **traineeships** are the focus, but longer-term jobs are also welcome.

Participation is free of charge!

Who will you find there?

Tourist & hotel entertainers, waiters, lifeguards, bartenders, cooks, hotel receptionists, photographers, tour drivers, among many other profiles - both recent graduates and experienced, with different cultural backgrounds and language skills. The event will be promoted in all EU/EEA countries, from North to South, East to West. We expect to have **at least 2,500 online participants** joining this Seize the Summer edition.

HOW TO PARTICIPATE?

You may, **without leaving your office**:

- **have an employer profile**, with videos and images, introducing your company & recruitment needs
- **post your jobs or internships / graduate programmes** and have them promoted all over Europe (with a focus on those languages / countries you're most interested in)
- schedule and **conduct online recruitment interviews** with pre-selected applicants
- join the **one-to-one live chat with online jobseekers** on the days and have last-minute applications

Technical support & assistance will be there for you **before, during & after** the event.
