

# SHOW YOUR SUPPORT

**Bank Holiday Monday, October 27, marks the 35th running of the SSE Airtricity Dublin Marathon with the largest number of entrants ever. Over 14,500 runners, walkers and joggers from around the world, as well as from the four corners of Ireland, will set out on the classic 26.2 mile challenge.**

Starting out in Fitzwilliam Street Upper and winding their way around the Georgian Streets of Dublin and its surroundings, race participants will eventually rejoice at the sight of the finish line in Merrion Square North.

To help them on their way we are asking the people of Dublin to come out onto the route and show their support in as noisy and colourful way as possible. Check the timetable on the back to see when the race will pass through your area. We have also designated seven excellent locations – **Cheering Zones** – where you can view all the action while enjoying the party spirit. As usual the Finish Zone will be buzzing all day as triumphant participants pass through the finish line and **FM104** will be there pumping out the sounds to add to the atmosphere. So here's hoping we'll see and hear you on Bank Holiday Monday.
