ABOUT US

With over 30 years of experience, our team offers a comprehensive suite of services. Our multidisciplinary approach ensures that each project is handled with precision, creativity and adherence to the highest industry standards.

While we excel in all areas of design, we have a particular focus on the hospitality sector, where we've built a strong reputation for creating iconic, functional and aesthetically captivating spaces.

Our commitment to innovation, compliance and seamless project delivery enables us to bring our clients' visions to life, no matter the scale or complexity.

HOSPITALITY SPECIALISTS

Over the years, we have built strong relationships with a diverse range of trusted partners and clients. Their collaboration and trust in our expertise have allowed us to deliver exceptional results across various projects, from industrial spaces to high-end hospitality designs.

RADISSON BLU HOTEL

Co. Dublin

A vibrant new wine bar and event space that captures the building's industrial elements as well as the area's rich Viking heritage.

The design features striking metal elements paired with a bold red colour scheme, creating an energetic yet inviting atmosphere. Guests can immerse themselves in the history of the region through a thoughtfully implemented graphic historical timeline that adorns the interior, weaving stories of the past into the fabric of modern hospitality.

BUNRATTY CASTLE / HOTEL

Co. Clare

A contemporary redesign to the bar and restaurant of this hotel with inspiration from the arts & crafts movement brings this hotel back to life. Positioned next to the Irish landmark, Bunratty Castle, this hotel has received a new function room extension with a focus on the views, making the beautiful castle the feature backdrop to any event.

IVEAGH GARDEN HOTEL

Co. Dublin

Nestled in the city centre, the renovated hotel exudes luxury and class with high quality finishes. The entrance lobby sets the refined tone for the hotel with decorative mouldings paired with clean lines and contemporary finishes. The guests will experience this throughout their stay, within the guestrooms through to the bar and restaurant.

ALLTA RESTAURANT /

Co. Dublin

Where refinement meets a laid-back dining experience. The interior design beautifully balances this and features a striking large graphic that serves a focal point, inviting conversation and creativity.

Rustic woods and metals enhance the warm, inviting atmosphere, creating a stylish and relaxed space. Every detail has been thoughtfully curated to ensure that guests can enjoy exceptional cuisine in an environment that perfectly mirrors the essence of casual sophistication.

SHEEN FALLS LODGE HOTEL

Co. Kerry

Set amidst 300 acres of breathtaking landscape in County Kerry, the five-star Sheen Falls is a beautifully restored seventeenth-century fishing lodge once frequented by the marquis. Guests can enjoy first-class service while marvelling at the stunning views over the Falls through the floor-to-ceiling windows. The interiors are adorned in soft hues throughout the hotel and are completed with tradition furnishings. Here, luxury and history intertwine, providing a truly memorable experience.

SANDYMOUNT HOTEL

Co. Dublin

Redefining access and aesthetics within a beautifully restored Victorian terrace, installation of a contemporary glazed passenger lift creates a seamless link between levels, enhancing both functionality and flow. This striking architectural feature not only improves accessibility for all guests but also serves as a distinctive piece of infrastructure, adding a modern touch to the historic setting. Inside, the contemporary design harmonizes with the classic elegance of the terrace, offering a refined atmosphere that celebrates the best of both worlds.

BAR ITALIA RISTORANTE

Co. Dublin

Boasting a feature wall covering, Bar Italia has a unique touch to the ambience which is perfectly complemented by contemporary lighting to enhance the warm, inviting atmosphere.

Elegant ebony staining provides a rich backdrop for displays. Carefully chosen touches of blues and tans bring depth and vibrancy. Accents of brass metal add a hint of sophistication, creating a harmonious blend of textures and colours.

CASTLEMARTYR RESORT HOTEL

Co. Cork

The five-star hotel offers an unparalleled blend of luxury and elegance. With stunning new finishes and furniture throughout the hotel, each space exudes sophistication and comfort.

However, the crown jewel of this project is the exquisite design of the two Michelin-star restaurant, Terre. Guests can savour culinary artistry in an environment that marries contemporary design with the warmth of Irish hospitality.

TRINITY TOWNHOUSE

Co. Dublin

The Georgian townhouse in the heart of Dublin City exudes classic elegance. Taking inspiration from the buildings architecture, classic furniture was paired with opulent furnishings and draperies to blend timeless style with modern comforts. Combining a neutral palette with antique brasses enhances the historic charm.

- 4 Reception Lounge

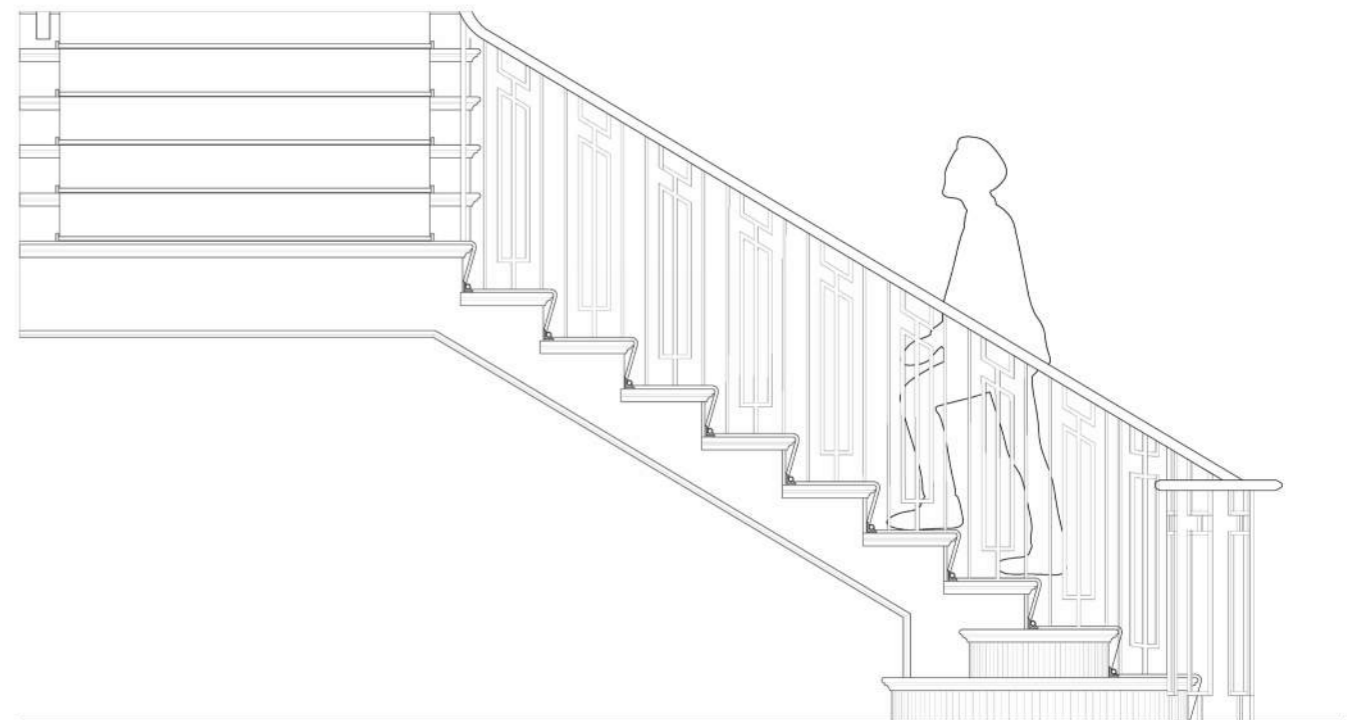

TULFARRIS MANOR HOUSE

Co. Wicklow

The upgraded manor house hotel seamlessly blends historic charm with modern luxury. This elegant renovation highlights the building's original architectural features - graceful chandeliers, intricate moulding and grand fireplaces - while introducing contemporary amenities designed for comfort and sophistication. Adding to the allure, the hotel boasts a stunning golf course with sweeping views of the countryside and nearby Blessington Lake.
